**Minutes to the Table: Bob Evans Farms Teams Up with
Country Music Artist and Home Chef Martina McBride**
Martina McBride to Cook up New Farm Fresh Ideas and Recipes

NEW ALBANY, OHIO (September 11, 2017) — Bob Evans Farms and country music artist, songwriter and cookbook author Martina McBride announced today the start of a holiday season partnership to bring wholesome, tasty recipes to families everywhere. The partnership will kick off on September 11, 2017, when the new Bob Evans Farms :15 television commercial featuring Martina and her new Chicken Potato Pot Pie Recipe begins airing nationwide.

Despite her intense schedule, Martina loves cooking and entertaining at home. It's only natural for this mother of three to seek out the very best tasting, most wholesome recipes that offer a quick-to-the-table solution. That's why Martina is teaming up with Bob Evans Farms to create two new comfort food recipes as part of the company's popular Farm Fresh Ideas recipes collections. All recipes in the collection feature Bob Evans sides as ingredients for easy and delicious recipes that are minutes to the table.

McBride will use her favorite sides as inspiration to create quick and easy recipes and kitchen hacks, designed specifically for busy families who just don't have the time to make time-consuming dishes, like mashed potatoes, from scratch.

"It's important to me to find food that I can feel good about serving to my family," said Martina McBride. "Working with Bob Evans was a natural fit because, although I do cook from scratch most of the time, I am a working mom who needs to find shortcuts that can offer real ingredients and great taste but are also quick to the table."

Bob Evans Foods refrigerated sides range from mashed potatoes and macaroni and cheese, to sliced glazed apples. Each side is quick to the table (under 6 minutes) and made from real ingredients, like butter and milk, so customers don't have to sacrifice great taste.

"Built on 65 years of heritage, Bob Evans Farms creates craveable sides with a variety of flavors that provide convenience without sacrificing taste," said Mike Townsley, CEO and president of Bob Evans Farms. "We are thrilled to partner with Martina McBride as she helps us solve one of the main dinner crises that Moms and Dads face every day around 4:00, 'what's for dinner?'"

Through the partnership, McBride will create new recipes using Bob Evans sides as an ingredient, develop home entertainment tips and will support the company during its busiest season of the year – holiday.
