“We are thrilled to work with Bob Evans Farms this year to help active military and veterans feed both their families and their souls,” said Gary Sinise, Founder of Gary Sinise Foundation. “Like our foundation, Bob Evans Farms believes that there is always more we can do to show

our appreciation for the military. With its support of GSF, Bob Evans Farms is helping us improve the mental wellness of the men and women who have sacrificed so much for our country.”

To date, the GSF has assisted and supported nearly 2,000 veterans, first responders, and active-duty service members through the Foundation’s seven Boulder Crest retreats, Warrior’s Heart for substance abuse relief, and through Brothers at War seminars. About The Gary Sinise Foundation

The Gary Sinise Foundation was established under the philanthropic direction of award-winning actor and humanitarian Gary Sinise, who has been an advocate of our nation's defenders for nearly 40 years. The Gary Sinise Foundation's mission is to serve our country by honoring our defenders, veterans, first responders, their families, and those in need. The Foundation's four programmatic pillars are our way of "doing a little more" for those who sacrifice so much for our country. As our Founder and Chairman Gary Sinise always says, "While we can never do enough for our defenders and their loved ones, we can always do a little more." That spirit of service is the bedrock of all of the Foundation's programs, which include R.I.S.E. (Restoring Independence Supporting Empowerment) Program, Relief and Resiliency Program, Community and Education Program, the First Responders Outreach Program.
